 - Midterm exam theory after 5th class weekend and final exams theory and practice in June/July
- Thesis
 - Written in the last study year

Student site

The screenshot displays the student site for Shenzhou Open University of Traditional Chinese Medicine. The header includes the university logo, name in Chinese and English, and a welcome message for 'Beate Lendt'. A navigation bar offers links for 'General information', 'Course information', and 'Apprenticeship'. The main content area is titled 'Course information' and features a filter menu with options for 'Syllabi & Presentations', 'Teaching information', and 'Homework'. Three announcement cards are visible: 1) 'Update Corona measures apprenticeship 22 July 2020' with a download link for 'Update-Corona-measures-apprenticeship-22-July-2020.pdf'; 2) 'Adjustment in cases Policy' with a download link for 'Adjustment-in-cases-policy-1.pdf'; 3) 'Apprenticeships for Practical training days' with a download link for 'Apprenticeships-for-Practical-days.pdf'.

E-learning, video`s, quizzes

The image shows a composite of two screenshots. On the left is a university website with three articles. The top article, dated 12/01/2019, is titled 'Example E-learning report ACU' and includes download links for 'E-Learning-Report-2.pdf' and 'E-Learning-Report-form.pdf'. The middle article, dated 18/10/2018, is titled 'E-learning PDF's - post 2' and includes download links for '13063_2015_Article_568-1.pdf', 'conc-24-e269-1.pdf', 'ECAM2016-1064924-1.pdf', and 'ECAM2016-7273940-1.pdf'. The bottom article, dated 18/10/2018, is titled 'E-learning files with links' and includes a download link for 'Shenzhou-e-learning.pdf'. On the right is a screenshot of a YouTube channel for 'Peilin Sun'. The channel has 1 subscriber and 5 videos. The top video is 'Peilin Sun - Sports Medicine in TCM' (272 views, 5 years ago). Below it is a video titled 'Peilin Sun - Bi-Syndromes' (357 views, 7 years ago). At the bottom of the YouTube screenshot is a notification for 'Shang Han Lun4 - Prof Peilin Sun' (44 views, 3 years ago) from Shulan College, dated 24 March 2017. A small calendar notification for 'Prepare excel list' is also visible in the bottom right corner of the YouTube screenshot.

Study groups

- **Literature study group**
 - Study group of 2 to 8 participants
 - You study literature together
 - Discuss questions and explain to each other
 - Helps you prepare for the exam
- **Interactive practice**
 - Study groups of 2-8 participants
 - You practice together practical aspects of the study (Pulse and Tongue diagnosis, anamnesis, techniques)
 - You discuss case histories
 - Helps you prepare for the exams

You meet up with each other, before or after the class weekends, or during the week. You can almost always use classrooms at Shenzhou. Some meet at home or e.g. in a library or other public place.

Clinical apprenticeship

- 1st year 64 hrs
- 2nd year 96 hrs
- 3rd year 120 hrs

In our own clinic or with approved external supervisors

External supervisors

SOU students site 0 + New Copy to a new draft Howdy, Beate Lendt

External supervisors SOU

Here below you can find a **map of our external apprenticeship supervisors** which are accredited by Shenzhou Open University of TCM.

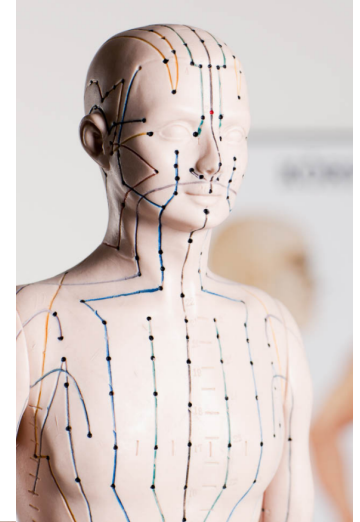

The screenshot displays a Google Maps interface. On the left, a sidebar shows details for 'Dragon Tuina':

- name: Dragon Tuina
- description: Ling Xin
- Details from Google Maps: Hoofdweg Oostzijde 716, 2132 BV Hoofddorp, +31 23 620 0099, dragontuina.nl, 3.8 ★★★★★, View in Google Maps

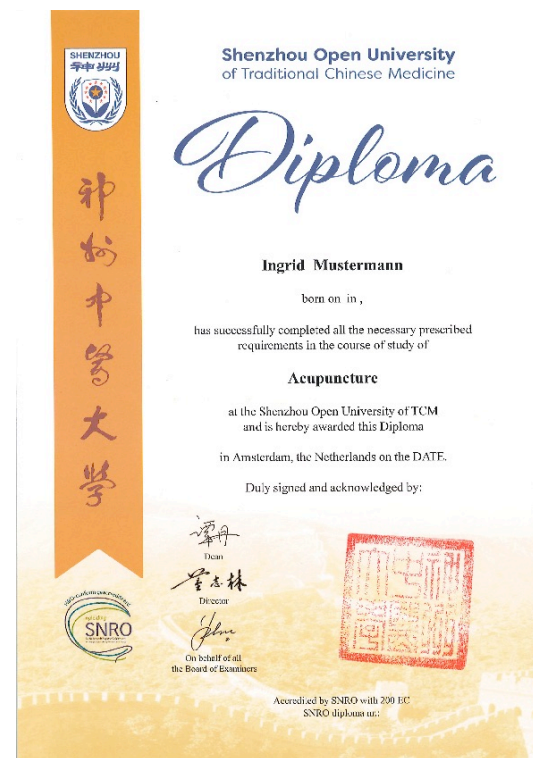

The map on the right shows Europe with numerous blue location pins indicating the locations of external supervisors. The pins are concentrated in the United Kingdom, Belgium, and Germany.

Examination

- **Theory exams**
 - Midterm exam after 5th class weekend
 - final exam in June/July
- **Practical exams**
 - final exam in June/July
 - Foundations of Traditional Chinese Medicine > Tongue and Pulse exam
 - Acupuncture 1st year > Acupuncture point location and needling techniques
 - Practical case study, treatment plan, point selection and demonstration of treatment
- **Thesis**
 - Written in the last study year, introduction into academic research and writing

Graduation and Diploma

神州开放大学

Shenzhou Open University
of Traditional Chinese Medicine
